

BUSINESS AFFAIRS 2018 SERVICE AWARDS DINNER

Business Affairs Service Award Dinner and Celebration on February 13, 2019

On February 13, 2019, Randy Livingston recognized and celebrated our term service honorees who work in all the various departments within Business Affairs. We celebrated our long time service staff with a four-course dinner for them and their guest at Flemings Steakhouse at the Stanford Shopping Center.

It is a long-standing tradition at Stanford to honor our dedicated staff at 5 year increments. At this event, Business Affairs departmental leaders and Randy paid tribute to those individuals who have achieved the impressive milestones of 20, 25, 30, 35, and even three individual who has given Stanford 40 years of service. As a souvenir of the event, we prepare a program and included a short biography of each individual. Many of our honorees had profound and interesting things to say about their tenure at Stanford. The event was enjoyed by all.
