

Office of the Chief Risk Officer Overview

Who makes up the OCRO

Michael Duff

Orchestrates efforts to protect the information assets that are important to Stanford. (Reports dual to OCRO and OCIO.)

Wendi Wright

Protects the privacy of university, employee, patient, and other confidential information; ensures the proper use and disclosure of such information; fosters a culture that values and promotes privacy.

Tina Dobleman

Identifies and assesses risk, working to reduce potential loss through risk mitigation, risk transfer, and risk financing; performs claim management, participates in mediations and settlements; provides risk consulting and global risk management.

Henry Gusman

Provides independent, objective assurance and advisory services designed to add value and improve the operations of Stanford University, SLAC and the Stanford University Hospitals.

Anne Sweeney

Provides cardinal direction and guidance for establishing and maintaining effective ethics and compliance activities by exercising oversight and coordinating efforts to advise, partner and engage the university community.

Sonya Pais

Coordinates the University's enterprise risk management efforts to provide a framework and processes for the identification, assessment, mitigation and monitoring of risks to the achievement of the University's mission and goals.
